Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries on each page running twice to the page. Columns 1 to 46 are to be filled for each individual, as explained in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each of these so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1580) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the people. In such cases endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is entirely dependent, i. e., child—has no occupation and is wholly dependent on the Government for support, write "None" in columns 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the United States, if possible, to inquiries 12, 13, and 14 relating to the place of birth of this person and of his parents. In any event, take particular pains to secure the name of the tribe of each of his parents, and enter the name of the tribe of each of his or her parents, as I enter the same in column 33.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as 1/2, 3/4, 7/8, 15/16, and 31/32, and in columns 38, negro. For Indians of mixed blood all three columns, 36, 37, and 38, in each case, should equal 1, as 1/2 + 1/2 = 1, 3/4 + 1/4 = 1, 7/8 + 1/8 = 1, 15/16 + 1/16 = 1, 31/32 + 1/32 = 1.

Wherever possible, the statement that an Indian is of full blood should be based upon the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married enter the number of times he or she has been married.

Column 40. Whether now living in polygamy. If the Indian man has more than one wife living, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian man has more than one wife, and if his wives are sisters, write "Yes" in this column. If he has more than one wife, and if his wives are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian has graduated from any institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered "taxed" if he owns property in his tribe and is living among white people as an individual, and as such pays taxes, whether he or she actually pays taxes or not; or if he or she is living with his or her family on a homestead allotment and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or remaining under guardianship, is "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment. If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands. If the Indian lives on his or her own land, write "Yes"; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling. If the Indian is living in a civilized dwelling, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column. If living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families [illegible] or negroes living in Indian families should be enumerated on this special schedule and on the general population schedule (Form S 1589) as members of the families in which they are found. In other words, every family composed entirely or partly of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 30 persons on each side (A and B) of the sheet, the lines on the two sides running twice to the page. Columns 1 to 46 are to be filled for each Indian enumerated. Read the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule, and are to be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you use the same number for the general population schedule (Form S 1589) and this schedule for Indian population, [illegible] for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on this schedule added to the last number in column 2 on the general population schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated [illegible]

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the age of Indians, who frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little [illegible] you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child—has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the Indian population, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations, and white persons or negroes living in Indian families should be enumerated on this special schedule, the same as Indians living in Indian families in which they are found. In other words, every family composed entirely of Indians should be entered entirely on this special schedule, and every family composed entirely of persons other than Indians should be entered entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the names of each person running twice to the page. Columns 1 to 46 are to be filled for each Indian, as directed in the following instructions.

Columns 1 to 32. These columns are identical with those on the general population schedule, and should be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see back of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using both the general population schedule (Form S. 1589) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of families visited and enumerated in your entire district; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1589) as members of the families in which they are found. Indians, whites, or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indian should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the names for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column, so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1589) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on a sheet added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country answers should be obtained, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as (column 36, Indian) ½, (column 37, white) ½, and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as ½, 0, ½; ¼, ¼, 0; ¾, ¼, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by inquiry of the older men of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is detached from his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S–1580) as members of the families in which they are found. In other words, every white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be enumerated entirely on this special schedule, and every family composed mainly of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of this sheet, the numbers on each page running twice to the page. Columns 1 to 46 are to be filled for each individual, as explained in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form S–1580) so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1580) and this schedule for Indian population, number the dwellings for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be equal to the last number in column 1 on the general population schedule, which will give the whole number of dwellings visited and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the true ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. By inquiry you can ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a mere child—has no occupation and is wholly dependent on the Government for support, write "Indian Child" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in this country, ascertain, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his parents. In any event, take particular pains to secure the name of the tribe to which the person is enrolled and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is a full blood, write "1" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, ascertain, if possible, what are the fractions which show the proportions of Indian and other blood, as [illegible] Indian, 1 quarter negro, etc., and enter in column 36, Indian blood; column 37, white blood; and column 38, negro blood. For Indians of mixed blood all three columns should be filled, and the sum in each case, should equal 1, as 1/2, 0, 1/2; 1/4, 1/4, 0; 1/2, 1/4, 1/4; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by an entry to that effect in some of the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he has ceased to be exempted from taxation by his tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not); or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of any kind, such as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if one is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1589) as members of the families in which they live. Indians living with whites or negroes living in Indian families should be enumerated on this special schedule in the families of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons of the white or negro race should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For such columns, so far as the inquiry applies, in accordance with the instructions for filling the enumeration of Indians on the general population schedule (see book of instructions), but note the following additional instructions in relation to the filling of columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1589) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the general population.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (man, woman, or child) has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the general population schedule, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S 1589) as members of the families with which they live, but Indians or negroes living in Indian families should be enumerated on the special Indian schedule (Form S 1590) with the families in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed partly of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines on the two sides running twice to the page. Columns 1 to 46 are to be filled for each Indian enumerated, as explained in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule, and are to be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19:

Columns 1 and 2. Visitation numbers. If, in canvassing a given district, you use for the general population schedule (Form S 1589) and this schedule for Indian population (Form S 1590) separate series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be equal to the last number in column 1 on the general population schedule when you have finished the district; and, likewise, the last number in column 2 on this schedule will be equal to the last number in column 2 on the general population schedule when you have finished the district. The last number in column 2 on this schedule will give the whole number of families visited and enumerated in the district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the ages of Indians, as they frequently reckon their ages from notable events occurring in their lives rather than from birthdays. Try to ascertain the years in which these notable events occurred, and with a little calculation you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian child has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in enumerating the Indians of Indian Territory, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S-1330) as members of the families in which they are found. In other words, every family composed wholly or in part of Indians should be reported entirely on this special schedule, and every family composed wholly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, in accordance with the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. They are to be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S-1330) and this schedule for Indian population, number the pages consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule added to the last number in column 1 on the general population schedule will give the whole number of families visited and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact age of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter name of his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian woman or child has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S-1570 as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule in the families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each Indian. Read carefully the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow instructions so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using both the general population schedule (Form S-1570) and this schedule for Indian population, number consecutively the pages for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on the special schedule for Indians; and, likewise, the last number in column 2 on this schedule should be equal to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. However, it should be possible to ascertain the years in which these notable events occurred, and with a little calculation in most cases will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If any Indian woman or child has no occupation and is wholly dependent on the Government for support, write "Keeps house" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the general schedule for both those on reservation and those living in family groups outside reservation.

Detached Indians living either in white or negro families should be enumerated on the general population schedule (Form 1-1910) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule with the Indian families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines being numbered running twice to the page. Columns 1 to 46 are to be filled for each individual (see paragraph 1 under instructions).

Columns 1 to 32.—These columns are identical with those of the general population schedule (Form 1-1910) so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions: Columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, the general population schedule (Form 1-1910) and this schedule for Indian population are used, there will be a series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on the general population schedule with which it is used, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the people. Every effort should be made to ascertain the years in which these notable events occurred, and with a table [illegible] be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a child and has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If Indian, 1 in column 36, white, 1, and in column 38, negro, 0. For Indians of mixed blood all three columns should be filled and the sum in each case should equal 1, as ½, 0, ½; ¾, ¼, 0; ⅝, ⅜, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by one of the older men of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is detached from his or her tribe and is living among white people as an individual, and as such is entitled to exercise whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families or those living in families composed partly of general population schedule (Form 8-1580) as members of the families in which they are found. In other words, every family composed entirely on this special schedule, and every family composed partly or wholly of persons and Indians or negroes living in Indian families should be enumerated on this special schedule and not on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, running twice to the page. Columns 1 to 46 are to be filled for each individual, as directed in the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill columns so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you use more than one general population schedule (Form 8-1580) and this schedule for Indian population, you will begin with No. 1 for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the number of dwelling-houses visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the reservation. By questioning, ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian or Indian child has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the general schedule for population, and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S–1580) as members of the families in which they are found. In other words, every family composed entirely or in part of Indians or negroes living in Indian families should be enumerated on this special schedule, and every family composed entirely of persons other than Indians or negroes should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines being numbered 1 to 20 on each side, running twice to the page. Columns 1 to 46 are to be filled for each individual Indian. The following are the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form S–1580), and are to be filled in exactly the same way as the corresponding columns of that schedule, so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you use separate books for the general population schedule (Form S–1580) and this schedule for Indian population, number the dwellings and families for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on this special schedule added to the last number in column 2 on the general population schedule; and, likewise, the last number in column 2 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of families visited and enumerated for your district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact age of Indians, who frequently reckon their ages from notable events occurring in the tribe. In such cases it will be necessary to ascertain the years in which these notable events occurred, and from a table in the instruction book be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for entering occupations. If the Indian child has no occupation and is wholly dependent on the Government for support, write "None" in columns 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in enumerating Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S. 1250) as members of the families in which they are found. In other words, every family composed entirely or partly of Indians should be enumerated on this special schedule, and every family composed entirely of persons other than Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers on each side running twice to the page. Columns 1 to 46 are to be filled for each Indian. See the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form S. 1250), so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions: Columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given locality, any Indians are found, the general population schedule (Form S. 1250) and this schedule for Indian population, numbered independently for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be equal to the last number in column 1 on the general population schedule, and, likewise, the last number in column 2 on this schedule will be equal to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the entire district.

Column 7. Age at last birthday. Some Indians may be put to ascertaining their ages, as they frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in most cases you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child—has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46.

Columns 33, 34, and 35. Tribal relations. If the Indian was born on a reservation, write the name of the tribe, if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of the person and of his parents. In any event, take particular pains to secure the name of the tribe to which the Indian belongs and the name of the tribe of each of his or her parents, and enter the names in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and of other blood, as "1/2" in column 36, "1/2" in column 37, and "0" in column 38, negro 0. For Indians of mixed blood all three columns must be filled, and the sum of the fractions, in each case, should equal 1, as 1/2, 0, 1/2; 1/4, 1/4, 0; 1/8, 1/8, 1; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy. If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian is a graduate of any educational institution, give the name and location of such institution.

An Indian is to be considered "taxed" when he has severed tribal relations, has received his allotment of land, and is living among white people as an individual, and, as such, is amenable to the laws, and pays taxes, the same as white persons. Whether she actually pays taxes or not; or if he or she is living with his or her people, but has received his allotment of land and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or possessing only a restricted patent, is to be considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment. If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of Indian families should be enumerated on the general population schedule (Form S. 1589) as members of the families with which they are living. Indians living in white or negroes living in Indian families should be enumerated on this special schedule as members of the Indian families in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed in part of persons other than Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers being consecutive, running twice to the page. Columns 1 to 46 are to be filled for each individual, if there is one corresponding to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each individual, so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you make use of both the general population schedule (Form S. 1589) and this schedule for Indian population, number the consecutive pages of each for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the correct ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the community. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you may generally be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his or her occupation in both columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, whether child or adult, has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

Column 42. Graduated from what educational institution.—If the Indian is a graduate of an educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is [illegible] from his or her tribe and is living among white people as an individual, and as such is subject to taxation [illegible] whether he or she actually pays taxes or not; or if he or she is living with his or her family [illegible] as a citizen of a State, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over [illegible] is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S–1580) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule as members of the Indian families in which they are found. In other words, every family composed entirely or in part of Indians should be reported entirely on this special schedule, and every family composed entirely of persons other than Indians should be reported on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, 40 persons in each person running twice to the page. Columns 1 to 46 are to be filled for each individual, as appears according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column, so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions relative to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you use one set of visitation numbers for the general population schedule (Form S–1580) and this schedule for Indian population, you will have a separate series of visitation numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the community. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a child and has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the United States, ascertain, if possible, to inquiries 12, 13, and 14, relating to the birthplaces of the Indian and his parents. In any event, take particular pains to secure the tribal relationship of the Indian and the name of the tribe of each of his or her parents, as entered in column 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as in column 36, Indian; column 37, white; and column 38, negro. For Indians of mixed blood the three columns must, in every case, should equal 1, as 1/2, 1/4, 1/8, 0; 1/2, 1/4, 1/4, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be based upon the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy. If the Indian man has more than one wife living, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian man has more than one wife, and if his wives are sisters, write "Yes" in this column. If the Indian man has more than one wife, and if his wives are not sisters, write "No" in this column.

Column 42. Graduated from what educational institution. If the Indian has graduated from any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered taxed if he owns property in his own name or in the name of his tribe and is living among white people as an individual, and not as a member of a tribe. It is immaterial whether he or she actually pays taxes or not; or if he or she is living with his or her tribe, if he or she has severed tribal relations and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or possessing a restricted patent, is "not to be considered taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment. If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands. If the Indian lives on his or her own land, write "Yes"; otherwise, if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling. If the Indian is living in a house of the usual kinds, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column. If the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families should be enumerated on the general population schedule (Form S 1580) as members of the families in which they are found. In other words, every family composed entirely or partly of Indians or negroes living in Indian families should be enumerated on this special schedule, and every family composed entirely of persons not Indians or negroes should be enumerated on the general population schedule.

Spaces are provided for entries for 50 persons on each side (A and B) of the sheet, 100 persons in all, the lines running twice to the page. Columns 1 to 46 are to be filled for each person listed, as explained in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill them in so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19:

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you use the numbers from the general population schedule (Form S 1580) and this schedule for Indian population, make two separate series for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the tribe. If possible, endeavor to ascertain the years in which these notable events occurred, and with a little calculation you can usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If any [illegible] child has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born on the reservation, or enrolled, report, if possible, to inquiries 12, 13, and 14, relating to the state of birth of this person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which each parent belongs, and the name of the tribe of each of his or her parents, and enter the name of the tribe in full.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If one-half Indian, write 1/2 in column 36, and 1/2 in column 37, and 0 in column 38; if one-quarter Indian, write 1/4 in column 36, 3/4 in column 37, and 0 in column 38; if three-quarters Indian, write 3/4 in column 36, 1/4 in column 37, and 0 in column 38. For Indians of mixed blood and three or more tribes, the fractions in columns 36, 37, and 38 in each case, should equal 1, as 4/8, 3/8, 1/8; 3/6, 2/6, 1/6, etc.

Wherever possible, the statement that an Indian is of full blood should be obtained in preference to a statement that he or she is of a certain part of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If the wives are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if living off a reservation among his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her white husband or wife and is possessed of property and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or roaming over unsettled portions of the country, is not taxed, and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column. If the Indian is living in a house or dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S–1589) as members of the families with which they live. Indians or negroes living in Indian families should be enumerated on this special schedule and not on the general families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the schedule, the lines on each page running twice to the page. Columns 1 to 46 are to be filled for each individual name. For detailed instructions:

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form S–1589) so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you have used the general population schedule (Form S–1589) and this schedule for Indian population, number the pages consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of pages used in that schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a [illegible] you may be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for entering occupations. If the Indian [illegible] child has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write for occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the present area of the United States, enter, if possible, in inquiries 12, 13, and 14, reading to the right, the name of the tribe to which he belongs. Do not enter "Indian" for any of these inquiries. In any event, take particular pains to secure the name of the tribe to which the Indian belongs, and the name of the tribe of each of his or her parents, and enter the name in full in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian has no admixture of white or negro blood, enter "full" in column 36, and leave columns 37 and 38 blank. If the Indian has some admixture of white or negro blood, see the instructions which show the proportions of Indian and other blood to be entered in columns 36, 37, and 38, and enter the proper fraction in each of these columns. For Indians of mixed blood, the sum of the fractions entered in the three columns in any one case, should equal 1, as 4/4, 1/2, 1/2, 0; 3/4, 1/4, 0; 1/2, 1/2, 0; etc.

Wherever possible, the statement that an Indian is full blood should be based upon the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married enter 1; if he or she has been married more than once, enter the number of times married. If single, widowed, or divorced, and not married at present, enter 0. If he or she has been married but is not now married, enter 1 or more, as the case may be, and also enter "S," "Wd," or "Div," as the case may be, in column 8, to show whether single, widowed, or divorced. If married, or widowed, or divorced, and married at present, enter 1 or more, as the case may be, and also enter "M" in column 8. If married, or widowed, or divorced, and married at present, enter 1 or more, as the case may be, and also enter "M" in column 8. If married, or widowed, or divorced, and married at present, enter 1 or more, as the case may be, and also enter "M" in column 8.

Column 40. Whether now living in polygamy. If the Indian has more than one wife living, enter "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian has more than one wife living, and has no wife living, enter "Yes" in this column. If the Indian has more than one wife living, and has wives who are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian has graduated from any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered "taxed" if he owns property which is taxed, whether he pays the tax himself or it is paid by his tribe; and is living among white people as an individual, and as such is subject to taxation, whether he actually pays taxes or not; or if he or she is living with his or her wife who is taxed as a citizen, and thereby has acquired citizenship. In either of these two cases write "Yes." [illegible]

An Indian on a reservation, without an allotment, or roaming over [illegible] is "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a civilized dwelling, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column. But if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form 8-1580) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, every family composed entirely of Indians or of Indians and negroes being enumerated entirely on this special schedule, and every family composed entirely of persons not Indians or negroes being enumerated entirely on the general population schedule.

Spaces are provided for entries for 30 persons on each side (A and B) of the sheet, the numbers (1 to 30) running twice to the page. Columns 1 to 46 are to be filled for each individual, unless otherwise specified in the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow the instructions so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to filling columns 1 and 2, column 5, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you use two kinds of visitation numbers on the general population schedule (Form 8-1580) and this schedule for Indian populations, make two separate series of visitation numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in that connection.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring on the history of the reservation. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will generally be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter the occupation as directed in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a child and has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country, answers should be obtained, if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of the person and of his or her parents. In any event, take particular pains to secure the national, tribal, or race name, which best describes each person and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is a full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian, white, and other blood, as follows: Column 36, Indian; column 37, white; and column 38, negro; or. For Indians of mixed blood all three columns should be filled, and the whole in each case, should equal 1; as ½, 0, ½; ¼, ¼, 0; or ¾, ¼, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the census roll of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property belonging to his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families or in institutions should be enumerated on the general population schedule (Form S. 1330) as members of the families or institutions in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule as members of the families in which they are found. In other words, every family composed wholly or in part of Indians should be enumerated entirely on this special schedule, and every family composed wholly of persons other than Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers on the two sides running twice to the page. Columns 1 to 46 are to be filled for each Indian enumerated. [illegible] instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each of these so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19:

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using for the general population schedule (Form S. 1330) and this schedule for Indian population, more than one sheet for each, provide for these columns, one series in each kind of schedule, so that the last number in column 1 on the last sheet used for the general population schedule will give the total number of dwelling houses visited in the district; and, likewise, the last number in column 2 on this schedule will give the whole number of families visited and enumerated in the district. The general population schedule will give the whole number of families visited and enumerated in the district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the age of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. In such cases it will be necessary to ascertain the years in which these notable events occurred, and with a little patience and tact you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for entering occupations. If the Indian or Indian child has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S-1580) as members of the families in which they are found. Indians married to white or negroes living in Indian families should be enumerated on this special schedule, the same as other Indians in the families in which they are found. In other words, every family composed mainly of Indians should be enumerated *entirely* on this special schedule, and every family composed mainly of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case. For particular instructions relative to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow instructions, so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions relative to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S-1580) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little examination in your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian man, woman, or child has no occupation and is wholly dependent on the Government for support, write "Ration" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S. 1330) as members of the families in which they are found. In other words, white or negroes living in Indian families should be enumerated on the special Indian schedule as members of the Indian families in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed entirely of white persons or negroes should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each page, lines A and B being left blank, the entries being numbered consecutively from 1 to 20, running twice to the page. Columns 1 to 46 are to be filled for each individual and are explained in the following instructions.

Columns 1 to 32. These columns are identical with those on the general population schedule, and are to be filled in so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you use the general population schedule (Form S. 1330) and this schedule for Indian population, number consecutively the pages for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on this schedule added to the last number in column 2 on the general population schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact age of Indians, who frequently reckon their ages from notable events occurring in the history of the reservation. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for entering occupations. If the Indian is a child and has no occupation and is wholly dependent on the Government for support, enter "At school" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, enter his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the enumeration of Indians both those on reservations and those living in family groups outside reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1580) as members of the families in which they are found. In other words, every white or negroes living in Indian families should be enumerated on this special Indian schedule in the families in which they are found. In other words, every family composed mainly of persons of Indian blood should be enumerated entirely on this special schedule, and every family composed mainly of persons of white or negro blood should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual. [illegible] instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For [illegible] so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additions: [illegible] columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using [illegible] population schedule (Form 8-1580) and this schedule for Indian population, number [illegible] for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of families visited and enumerated in your district, and, likewise, the last number in column 2 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the reservation or tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

Column 7. Age at last birthday. INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the census of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S. 1850) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule as members of the families in which they are found. In other words, every family composed entirely or in part of Indians should be reported entirely on this special schedule, and every family composed entirely of persons not Indians should be reported on the general population schedule.

Spaces are provided for entries for 20 persons on each side of A and B of the schedule, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each Indian, as directed in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill them in the same so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relative to filling columns 1 and 2, column 5, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using both the general population schedule (Form S. 1850) and this schedule for Indian population, insert two consecutive numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be next to the last number in column 1 on the general population schedule, will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in those districts.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the country or tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in most cases you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in this country [illegible] if possible, to inquiries 12, 13, and 14, relating to the birthplace of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which each Indian belongs, and the name of the tribe of each of his or her parents, and enter the name in full.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian has no admixture of white or negro blood, write "0" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as [illegible] and column 38, negro blood. For Indians of mixed blood all three columns should be filled out, and in each case, should equal 1, as 3/4, 0, 1/4; 1/2, 1/4, 1/4; 3/4, 1/4, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the census roll of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, either at the present time or formerly, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is classified among the members of her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has previously received an allotment of land and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S-1589 as members of the families with which they are found. All Indians or negroes living in Indian families should be enumerated on this special schedule in the families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers on the two sides running twice to the page. Columns 1 to 46 are to be filled for each individual, as follows according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule, and are to be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you have occasion to use the general population schedule (Form S-1589) and this schedule for Indian population, number the dwellings and families for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will correspond to the last number in column 1 on the general population schedule, and will give the number of dwellings visited and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as many frequently reckon their ages from notable events occurring in the history of the tribe. Indeed, it is often impossible to ascertain the years in which these notable events occurred, and with a little practice in any part of the country you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter proper entries for him in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a minor child and has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, enter his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8–1580 as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special Indian schedule in the families in which they are found. In other words, every family composed entirely or partly of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual Indian, in accordance with the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form 8–1580), so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions as to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, it is necessary to use both the general population schedule (Form 8–1580) and this schedule for Indian population, number the dwellings consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the total number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in a given district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will generally be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting enter in these columns, as in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, man, woman, or child, has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S-1589) as members of the families in which they are found. Intermarried whites or negroes living in Indian families should be enumerated on this special schedule as members of the families in which they are found. In other words, every family composed entirely or partly of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, 40 lines for each person running twice to the page. Columns 1 to 46 are to be filled for each individual Indian, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using both the general population schedule (Form S-1589) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian man, woman, or child has no occupation and is wholly dependent on the Government for support, write "Ration Indian" across columns 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1589) as members of the families in which they are found, but Indians living in white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indian should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each person so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1589) and this schedule for Indian population, number the dwellings and families for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated in your district; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (male, female, or child) has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States, enter in these columns, if possible, in inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which the person belongs and the name of the tribe of each of his or her parents, as entered in the same columns.

Columns 36, 37, and 38. Proportions of Indian and other blood. If you have, e. g., a full-blood Indian, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in each column the fractions which show the proportions of Indian and other blood, as explained in Bulletin 2 (pages 6 and 7), and in column 38, negro blood. For Indians of mixed blood the three fractions should be added and the sum, in each case, should equal 1, as 4/4, or 8/8, or 16/16, or 4/4, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by the statement of some member of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he is living with more than one wife, and his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is subject to taxation by his or her tribe and is living among white people as an individual, and as such is not part of a community of Indians, and if he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied territory, is considered not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, such as a log, frame, brick, or stone house, write "Civ." Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, as follows, the numbers referring to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. They are to be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S. 1589) and this schedule for Indian population, you will number consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated on that schedule.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the correct ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little examination on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (man, woman, or child) has no occupation and is wholly dependent on the Government for support, write "Has no Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of this person and parents. In any event, take particular pains to secure the name of the tribe of each parent, and the name of the tribe of each of his or her parents, and other ancestors.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is not full blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood as, for example, 1/2 Indian and 1/2 white; or 3/4 Indian and 1/4 negro. For Indians of mixed blood in three tribes, the fractions in each case, should equal 1, as 1/2, 1/3, 1/6; 1/4, 1/4, 1/2; etc.

Wherever possible, the statement that an Indian is full blood should be based upon the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he has more than one wife and his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property and pays taxes on it, or if he or she is living among white people as an individual, and as such owns property and pays taxes on it, whether she actually pays taxes or not; or if he or she is living with his or her husband or wife who owns property and pays taxes on it, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied portions of a reservation, is not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Ab" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservation are to be enumerated on the general population schedule (Form 8-1580) as members of the families in which they are found. [illegible] or negroes living in Indian families should be enumerated on this special Indian schedule as members of the families in which they are found. In other words, every family composed mainly of persons of Indian blood should be enumerated entirely on this special schedule, and every family composed mainly of persons not Indian should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the schedule, the lines being numbered running twice to the page. Columns 1 to 46 are to be filled for each individual [illegible] instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. [illegible] so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you use for the general population schedule (Form 8-1580) and this schedule for Indian population, number the dwellings for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little reasoning you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter [illegible] in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child has no occupation and is wholly dependent on the Government for support, write "Indian" [illegible] 18. INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated in the general population schedule (Form S-1589) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule and every family composed entirely on this special schedule and every family composed mainly of persons of Indian blood should be enumerated on the general population schedule.

Spaces are provided for entries for 30 persons on each side (A and B) of the sheet, the numbers on each page running twice to the page. Columns 1 to 46 are to be filled for each individual, according to the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form S-1589) so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you use sheets from the general population schedule (Form S-1589) and this schedule for Indian population, you will number consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the tribe or the locality, and fail to ascertain the years in which these notable events occurred, and with a little questioning of this kind you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a school child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families should be enumerated on the general population schedule (Form S-1580) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, families in which they are found. In other words, every family composed entirely on this special schedule, and every family composed mainly of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, running twice to the page. Columns 1 to 46 are to be filled for each person, as follows:

Columns 1 to 32.—These columns are identical with those on the general population schedule, so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you enumerate on the general population schedule (Form S-1580) and this schedule for Indian population, you will use two series for those columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be equal to the last number in column 1 on the general population schedule which you have filled on the same day; and, likewise, the last number in column 2 on this schedule will be equal to the last number in column 2 on the general population schedule which you have filled on the same day. The last number in column 1 on this schedule will give the whole number of families visited and enumerated by you on this schedule.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the correct ages. Indians frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian child has no occupation and is wholly dependent on the Government for support write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country ascertain through [illegible] if possible, to inquiries 12, 13, and 14, relating to the state or [illegible] of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected, and the name of the tribe of each of his or her parents, and enter the same in [illegible] and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full-blood, write "Ind." in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If [illegible] write ½ in column 36, and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled, and each item in each case, should equal 1, as ½, 0, ½; ¼, ¼, 0; ¼, ¼, ¼; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by inquiry of the other members of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If [illegible] one wife, and if his wives are sisters, write "Yes" in this column. If [illegible] write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is subject to taxation [illegible] her tribe and is living among white people as an individual, and as such is subject to taxation [illegible] she actually pays taxes or not; or if he or she is living with his or her tribe [illegible] and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled parts of a reservation, is "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house, whether made of log, frame, brick, or stone, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, [illegible], cliff dwelling, etc., write "Abor." (for aboriginal).
